Light Contact Fighting in a Continuous Manner. Under no circumstances should light contact continuous fighting simulates full contact kickboxing. Utilizing well-controlled techniques, ring craftsmanship and combination skills, competitors should attempt to "outscore" rather than "overpower" their opponent.

Competitors will fight continuously until the referee's command to "STOP/BREAK". Techniques should not "strike through" or "push through" the target. Striking with excessive contact, or uncontrolled striking of any kind will lead to disqualification. Emphasis must be placed on both punching and kicking techniques. Punching or "boxing" only to body or leg (Above the knee), for an extended period of time without throwing kicks will downgrade the judge's evaluation of your performance.

Each match is carried out with running time. The referee and judges will evaluate the relative effectiveness of each fighter based on the number, quality and variety of scoring strikes, defense and conditioning. Rules violations (whether penalized by the referee or not) will downgrade the judges evaluation of the offending fighter. The three officials will determine the winner of each match by majority decision.

Equipment Needed:

- Adult divisions: mouth-guard, Head Gear, 10oz gloves or larger, groin protection, shin/instep guards.
- Teen & Junior divisions: mouth-guard, Head Gear, 10oz gloves or larger, groin protection, shin/instep guards.
- Shorts or pants and school tshirt/rash guard or Martial Arts Uniform must be worn.

Weigh-in time: All competitors must weigh at scheduled time. If a competitor missed the weigh-in time, weigh-in will take place at the time when the competitor is called to compete.

Time and Rounds

• Two (2) - Two (1) minute rounds with a 30 second break. If both Fighter wins each round, a 3rd round of 30 second is needed. Head judge will only judge 3rd round to insure no ties.

PLEASE NOTE – Due to point tabulations and rankings for the 2020 State Finals, all divisions are set, and a competitor cannot be moved to another division. Only splitting a division is allowed when a competitor is out of their age of at least two (2) years. If there is no one in your division, you will win by default, and an exhibition match will be offered.

SPORT MMA DIVISIONS AND INFORMATION

(For complete rules go to www.TNTGrapppling.com to download complete rules)

DESCRIPTION: Think of it as the equivalent of light contact version of MMA. A division were competitors can compete against each other utilizing most of the regular techniques associated with MMA including strikes, shoots, grappling and submissions. Only semi or light contact is allowed at all times at both stand up and ground positions.

Basically two competitors start from stand up position as is the case in semi & light contact, utilize their striking (stand up skills) to close the gap and create opportunity for a shoot or take down. Once on the ground the grappling comes into play together with semi/light contact striking. There are strict rules pertaining to Legal and illegal techniques in strikes, grappling/Jiu-jitsu and submissions. The ultimate will always be to obtain a submission over your opponent.

EXPLAINING THE BEST OF THREE SUBMISSION RULE

If fighter "A" obtains a submission over fighter "B", it is recorded on the score sheet and the fight gets restarted from center stand up position. Fighter "B" must now obtain a submission over fighter "A" in order to level the field. Herein begins the chess game of SPORT MMA. Regardless of how good the rest of the fight is from fighter "B", even if he is the superior technical competitor, gains more points for striking or outclasses fighter "A" for the duration of the bout, fighter "A" will win the match should fighter "B" not obtain a submission over fighter "A". Two submissions over any fighter ends the bout immediately!
